

ER Welfare Policy

Everyone who takes part in athletics is entitled to participate in an enjoyable and safe environment. To ensure this Athletics in the UK which encompasses UK Athletics Limited, England Athletics Limited, Welsh Athletics Limited, Scottish Athletics Limited and Athletics Northern Ireland is committed to establishing and implementing policies and procedures to ensure a safe athletics environment.

Best practise in athletics benefits everyone, the sport's governing bodies, coaches and officials, teachers, parents, carers and athletes. Most importantly, it ensures that children who choose to participate in athletics have a safe and fun experience.

Our objective is to build a safer future in athletics for all children under the age of 18 years. (In Scotland this extends until the individual's 19th birthday).

All children are entitled to a duty of care and to be protected from abuse. Abuse can occur anywhere. With over 250,000 children involved in athletics in the UK and 100,000 adults involved, the chances are very real that there are some individuals abusing their power over children in athletics.

ER is committed to devising, implementing and updating policies and procedures to promote best practice when working with children and to ensure that everyone in the sport understands and accepts their responsibilities to safeguard children from harm and abuse. This means taking action to report any concerns about their welfare. It is not the responsibility of athletics to determine whether or not abuse has taken place, this is the domain of the child protection professionals.

UK Athletics Limited, England Athletics Limited, Welsh Athletics Limited, Scottish Athletics Limited and Athletics Northern Ireland fully accept their legal and moral obligations to provide a duty of care, to protect all children and safeguard their welfare, irrespective of age, disability, ethnicity, gender identity, religion or belief, sex or gender and sexual orientation.

- The welfare of the child is paramount.
- All children have the right to protection from abuse

- All suspicions and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- All individuals involved in athletics understand and accept their responsibility to report concerns to the appropriate Welfare Officer.

In order to meet this obligation all Athletics bodies will:-

- Provide and enforce procedures to safeguard the well being of all participants and protect them from abuse.
- Ensure all children who take part in athletics are able to participate in a safe and fun environment.
- Respect and uphold the rights, wishes and feelings of children.
- Recruit, train and supervise their employees and volunteers to adopt best practise to safeguard and protect young people from abuse, and themselves from false allegations.
- Require staff/volunteers to adopt and abide by their Safeguarding Policy and Procedures, Codes of Conduct and the relevant grievance, investigatory and disciplinary procedures.
